

ROBERT SCHMITZ

INSTRUCTIONAL DESIGN · CURRICULUM & ASSESSMENT DEVELOPMENT

Winter Haven, Florida · Open to remote · 813-716-1871

treborschmitz@yahoo.com | [Portfolio](#) | [LinkedIn](#)

PROFILE

Instructional designer and mathematics educator with experience in secondary and adult learning, curriculum development, assessment, and LMS-based instruction. Translates complex content into purposeful practice, clear feedback, and teacher support. Doctoral student at the University of Central Florida.

SELECTED EXPERIENCE

Real Engagement with Mathematics (REM) · 2019-present

Independent curriculum development: Algebra 1 course structures, lesson materials, practice activities, assessments, and worked teacher support.

High School Teacher · Belleview · 2019-2026

Secondary mathematics instruction, lesson planning, and assessment.

Middle School Teacher · 2017-2019

Middle school instruction and support for student learning.

GED Instructor · 2016-2017

Adult education and GED preparation.

SELECTED PORTFOLIO WORK

Algebra 1 curriculum architecture

Representative student and teacher pages show scaffolding, worked solutions, and varied practice formats.

Rearranging formulas · Storyline specification

A 16-slide storyboard with learner decisions, targeted feedback, and a five-item quiz plan. Production is planned to begin soon.

Practice-centered professional development

A representative 60-minute workshop plan and transfer job aid. Presented as a design sample.
